A sweet and friendly person that I hoped to become best friends with, which didn't turn out the way I'd hope maybe because we have different things in common and maybe not I wish you all the best with your boyfriend and many more to come, hope to see ya! in the summer if possible but I won't get bored just in case. I'm still going to Chicago, since my Grandmother explained everything so I hope to be kissing this island good-bye for a month and then come back and jaw at the oceania to see the master mind of the funkyest kind (just kidding) so which ever school you go to after this have a good time and God bless you forever.

KA MEA OHI is a Hawaiian term that means "the Harvester" or the "Gatherer" of things. This name was given to our yearbook by the eminent Reverend Henry Judd in 1941, as he watched the harvesting machine gather sugar cane in the fields adjacent to Waipahu High School. Instead of sugar cane, our yearbook gathers and harvests a more precious and dear crop — the story of the students of Waipahu High School.

VARSITY PEP SQUAD

The "voices" of The Marauders are The Classy W.H.S. Pep Squads — heard in all the football and basketball games, as well as other athletic encounters involving the Marauders of Waipahu. The girls devote many hours of their time to practice and perform intricate precision routines and stunts to support the team and to instill confidence and pride in each player. The half time routines are delightful to watch.

The squads are a vital part of our athletic program. They add color and give the extra dimensions in our sports.

VARSITY FOOTBALL

Again, like the past years, Waipahu Marauders played second fiddle in the Leeward District football race. With a record of four wins, three loses, and one tie, our Varsity Football Team placed second below Waianae.

Coach Keith Morioka said, "This team was inexperienced in defense. However, the defense played well enough to keep us in the thick of things until the offensive got their things together later in the season."

The team hung together, played well, and showed character throughout the season despite losing some very tough and crucial games.

COACHES

The varsity football team had a truly fine capable staff assisting Mr. Keith Morioka in every phase of the game. These dedicated coaches helped to mold a young team into a well-drilled and disciplined football team. Our team played good solid and basic football as a result of their guidance.

In charge of the defensive unit were assistant coaches: Milton Takenaka, Cosmo Arakawa, and Bill Arakaki. Ernest Abe, and Randall Miura took charge of the offensive team with Coach Morioka coordinating the over-all game plan. Waipahu is fortunate to have such a great bunch of coaches.

J.V. FOOTBALL

The losing record (0-7-1) of the J.V. Football Team was not indicative of the actual performance of the young Marauders. Although each game was a struggle for them, the boys gave a good account of themselves by keeping their pride and spirit with each encounter. The coaches had high respect for the team members for their attitude, discipline and devotion to the game. They practiced hard and long, and though the win-loss column did not show it, every boy was a winner. Undaunted, the young Marauders are looking ahead for next season and a better year. Waipahu High is proud of these boys.

The 1983 edition of the Waipahu High School Marauder Baseball Team had their work cut out for them being the O.I.A. defending champions. But despite this pressure, Coach Tom Gushiken again came up with a typical Marauder team — aggressive, "heads-up," and basically sound.

Made up mostly of seniors, the squad had the experience and talent to meet with all situations. Led by seniors, Danny Kapea, Keith Yasui, Darren Kimura, Kalei Dudoit, Bernie Manding, Derrick Chee, Keefe Kujubu, Ira Ishihara, Daryn Arakaki, and Gregg Yoshimura, the Marauders were a tough team to beat.

Augmenting the above were three able juniors and four promising sophomores who came up from the J.V. ranks.

Mr. Milton Takenaka, coach of the J.V. team, assisted Mr. Gushiken in guiding the team.

The Junior Varsity Baseball Team had a "so-so" year, placing third in the Leeward District race. The junior Marauders with many returnees were expected to place high in the district standing, but hard luck followed the team throughout the season. The ball just didn't bounce in their favor.

Coach Milton Takenaka and his assistant, Steve Miyashiro, praised the team for their fine efforts and fine play. The boys tried hard and gave their best in every game.

The team was led by co-captains: John Garcia, Davin Gaspar, and Darren Takemoto. These boys, together with outfielder Richard Nono, were elevated to the varsity team at the end of the J.V. season.

John Garcia, a catcher, was the leading power hitter for the team while Davin and Darren provided the defense in the infield positions. Wendy Kodama and Kavi Takaki were responsible for the team's statistics.

The varsity volleyball team was coached by Pauline Belisario and assisting her was former Waipahu High star Mary Corrales.

After a very exciting and tight division race, Waipahu fell short of the title by placing second in the Leeward District standings. The girls played well and showed great spirit. The team was led by co-captains Lorelei Dias and Tracey Sugui. Precision setting by Charmaine Agbayani and Leimomi Respicio gave hitters Analoa Fagota and Lorelei Dias the opportunities for many "kills." The team played cohesive ball and were in contention all throughout the season.

"Watch out O.I.A." These Marauders are coming!

The Junior Varsity Volleyball Team showed that great things are coming for Waipahu High School. First, they won the Leeward District title, then the Western crown, only to fall to the Governors of Farrington for the O.I.A. Championship. The end came after a hard-fought encounter.

These young girls will be a dominant force in the O.I.A. in the years to come. Coach Pauline Belisario had nothing but high praise for the girls. When asked, "What was the key to their success?" She summed it up by saying, "They are a great bunch of kids — eager to learn and easy to work with." The attitude of togetherness kept the team in high spirits throughout the season.

Assisting Coach Belisario were Mary Corrales and Lovey Nuuanu. Anna Davis and Judy Ilar were team captains.

Congratulations Marauders for a fine season.

GIRLS' SOFTBALL

The Girls' Varsity Softball team for 1982-83 may not have qualified for the OIA playoffs for the first time in the last 4 years, but they sure did make it hard for their competitors. This year's girls were a strong bunch that stuck together. "We shared our victories and suffered from our defeats" said Coach Kato.

The season started off well as Waipahu beat the Waialua Bulldogs. The final score was 4-3, Waipahu then played their second game against the Mililani Trogans, the girls seemed to have been on a winning streak. Meeting up with Leilehua, they won 10-6. The final score of their 4th game against Moanalua was 5-2. Although they lost their next game to Radford, they were back on their winning streak immediately. Aie's game was stopped in the 6th inning due to the large point spread, 11-0. Then they beat the Nanakuli Hawks 10-0. They lost to Pearl City, but went on to beat Campbell, 10-0. They then played Waianae, losing 5-1. They went on to beat Campbell 13-4. The girls had lost to Pearl City, but they tried!!! the Marauders were ahead 5-3, until the top of the 7th. It was the Chargers last time to bat. It was the bottom of the 7th, 2 outs on Pearl City and the bases were loaded. They hit a fly ball between center field and right field. The ball hit the ground and the runners came in. Both teams played hard, but Waipahu lost 10-5.

All the girls were sprinters. Julie Rojas, a State meet qualifier did well in the hurdles and sprints. The weights were represented by Chris Goroza, Ivy Satot, Dorothy Scanlan and Rita Suafoa.

The team was hindered by a lack of depth and lack of long distance runners and high jumpers.

BOWLING

This year's bowling teams had a very successful season under coach Albert Miyahira.

The girls' team especially had the best since joining the league. Everyone really had the spirit and determination to play to win. One of the things that helped team spirit was the meetings that we had prior to competition. This idea helped the team members to build confidence in themselves.

High game honors for Waipahu went to Regina Riccobene with a 210 game during competition.

The boys finished with a respectable 5th Place Standing over-all at the end of the season. The boys bowled well. Ernest Labrador and Scott Akau both bowled a 232 high game.

This year's team was led by Seniors Derek "Wrestler 1" Mukai, Rodney "Wrestler 2" Nakamoto, Darryl "Wrestler 3" Bentosino, Steve "Alki" Kimura, and Juniors Craig "Tomoenage" Kaneshiro, Tran "Kung Fu" Nguyen, David "Gala Gala" Alaga, and Dwayne "Thunderlips" Watabu. Adding depth and promise were Sophomores Daniel "E.T." Higaki, Brad "Slacker" Koyanage, Thuy Tuong Bui, and Freshman "Ding Dong" Dung Nguyen.

Waipahu High can be very proud of these boys.

OMNIS, Formerly the Science Club, with the guidance of our advisor, Mrs. Jong, had a most successful year. With the help of many people, we were able to enhance our knowledge of science through various field trips and discussions. The club was very fortunate to visit the Kokokahi Hunger Mission Model, the Leeward College Computo-center, and many other fascinating places. Our Big Island trip was the highlight of the year. There we visited the Ocean Thermal Energy Conversion lab and the Mauna Kea Observatory.

Through these activities, we were truly able to prove Einstein's theory ($E=mc^2$) — Enjoyment= means x $(curiosity)^2$.

The Leo Club consists of hardworking students who devote their time to serve their school and community.

During the year, the Leos kept active by doing numerous service projects which included: painting the posterwall, scrubbing the steps of the school's stadium, collecting prescription eyeglasses for the sight Conservation Project, delivering the Cane Tassel throughout Waipahu, collecting canned goods for the needy, collecting money for the Hurricane Iwa victims, picking up litter around Waipahu with the help of the Leeward Lions, and going Christmas Caroling to different hospitals.

Leos also had fun at the Christmas party, at the picnic, and at the annual State Leo Club Convention in Waikiki.

The Leo Club would like to thank you, Mrs. Fujino, for advising us for the past two years. You're the best!!

"ENSEMBLE MES AMIS

We the members of the WHS French Club, Ensemble Mes Amis, have had one great year, fulfilling our club's objectives; which are: to serve our community; to share French cultures; and to make the French Club the best there is.

Because of our unique advisor, a certain Mrs. Joyce Hardin, we have participated in the Foreign Language Festival, where we got to show off our "can can" and provincial dancers; our portrayal of famous characters in French History; the use of the guillotine; and eight superb fencers. We also volunteered our services to the Hawaii Special Olympics, and attended the American Association of Teachers at a French Banquet which was held in honor of outstanding students.

We had an enjoyable time serving and participating in school and community activities.

Precious times we all shared together. Going out a lot and coming home late; getting into trouble with our parents, but we made it through. We shared some sad times when we had some misunderstandings with one another but again we made it through! STUDENT GOVERNMENT

W.H.S.G. President's Message

Dan Sakaue
President

Aloha fellow Marauders,

It's hard for me to believe that the 1982-83 school year has quickly come to a close. Over the past year, having served as your Student Government President gave me a lot of valuable knowledge, experience, and most of all courage in myself to become a better individual. I thank you for allowing me to share this valuable and cherished experience with all of you. It has truly been an honor to serve Waipahu High School, and you, my fellow students.

The many activities that the Student Government has sponsored this year could not have been possible without the hardwork and dedication of my fellow officers and committee chairpersons. They are the one who put countless hours into even the smallest of activities. Together, we would like to thank you, the students, for your whole hearted participation and enthusiasm. You're the ones that made our year so successful and special.

In closing, may I bid each and everyone of you Good Luck and Best Wishes for a brighter tomorrow. To the Immortal Class of 1983, we made it! Lastly, please remember — you are the only ones who can determine what your future will be. Make the most of what you have and — GO FOR IT!

Sincerely yours,
Dan K. Sakaue

Querida Patacsil justifies an article.

What a rotten little hellhole to have to live in! Luckily, we only had to endure it once a month. What, you ask? The Cane Tassel Room on deadline day, of course!

Our happy little mission was to inform and entertain the community with timely collections of flotsam and jetsam — and possibly enjoy ourselves and learn something in the process. We did this, or, at least, tried to, by sending out an eight page newspaper to the 10,000 homes and businesses in Waipahu, with the able advice of our advisor Patrick Hada.

As if writing articles wasn't difficult enough, we also had to sell advertising space, put together ads, kill monster cockroaches in the CT room, and defend our opinions once in print.

Surely adult life won't be this difficult?!!

President's Message

Freshman President Toni Alvarico

Hello Marauders,

As our Freshman year comes to an end, we can look back on all the fun and activities that were shared together.

The Arthur Awards Competition meant a lot to us. It showed the pride and spirit of our class. I know we did our best, and it showed all around us.

Our candy sale was a pretty and a sweet success. It gave our students a chance to go out into the community and meet some of the people. It brought us a little closer and friendlier to our community.

Our Freshman banquet turned out great — more than what we expected.

Let us continue to show our pride as we carry on for three more years at Waipahu High School. We have learned a lot in the past year, and we will do a lot in the coming years.

Take care . . .

Best Wishes to All,

The fine showing of the Freshman Class this year is due to many things. But credit must first go to the above hard-working officers who spent a lot of time planning and coordinating the activities. These leaders should be congratulated for a very successful year.

Given the support of the entire class next year, there should be no reason why another banner year could be achieved.

This year's Freshmen showed much spirit and great pride. They gained the respect and admiration of the other classes, as well as the faculty, in their first attempt at the Arthur Competitons. The hard-working council and officers provided the leadership to spur on the young Freshmen in all the activities and student events.

Freshmen advisor, Mr. Stan Morioka, also in his first attempt at an advisorship, did a marvelous job in guidance and advice. Starting on the "right foot" these young Marauders will continue on and make their class known to all.

WAIPAHU HIGH SCHOOL 1938

Days filled with surprises, challenges, and new experiences . . . this is what made up our Sophomore year.

The year started off with homecoming upon us in October. This, I feel, was the highlight of our year for it proved that we have grown, learned, and applied ourselves. Our 'Invincible Dragon' shot forth fierce looks as to say, "Look out everyone, here come the Sophs!" Placing third overall in the Arthur Competition, we can be very proud of ourselves, and we have much to look forward to.

M-n-M's practically rolled out of our ears in January when the candy sale had come. Each of us rushed around with our sales pitch making deals with everyone.

"Just You and I", was our Freshmen-Sophomore Banquet theme. On that night in April at the Queen Kapiolani Hotel, precious memories were created. This included food, dancing, talent and lots of smiles.

The excitement of ring sales filled the air in May. For many, the ordering of class rings was something new, yet special.

Let us look towards another fun and challenging year. Together in friendship and emotion, use our spirit, make it grow, and remain the 'Invincible Class of '85' that we are.

With All Best Wishes,
Wendy Kodama

JUNIORS

CLASS OF 1984

Juniors,

As we gaze upon our remaining days as "Jolly Juniors," we can say 1982-83 has been a terrific year for all of us. We have had many good times and memories that we shall always cherish.

Homecoming '82 sure was an exciting and busy activity for many of us. Remember when we stayed up late and worked till our eyes nearly "fell out" so that we could finish our float. And as our teachers piled the homework on us, we were forced to work even harder. (Thank you teachers!) Learning our class cheer sure was frustrating. Memorizing the words was easy but the "beat" was all "any kind." The chicken sale also kept us busy. Starting at 5:30 in the morning and lasting till the evening made us all smell like chicken. (Yuck!) At the end of the homecoming night we, the Majestic Class of 1984, were announced "The 1982 Homecoming Arthur Award" winners! Yahoooo!!!

Our long awaited class rings finally arrived. Twisting our rings 84 times strengthened our spirit and also left painful blisters on our fingers. (Ouch!)

Candy sale sure was a "bummer." Trying to sell at least one box of candy seemed impossible. Nevertheless, the sale was quite successful.

And how could we possibly forget our one and only Junior Prom "Always and Forever." It sure was an amazing sight to see all of us in tuxedos and elegant gowns. Before we knew it, the night was over. Yet, the memories of that evening will always remain a part of us.

Three down, one to go! Let's all make the most of next year when we become the "Mighty and Majestic" seniors of Waipahu High School.

President's Message

To the Senior Class of 1983,

As we look on our high school days, we'll recall "memories, of the smiles we left behind, misty water colored memories, of the way we were."

Through our underclassmen years, we showed that experience wasn't everything. Although we didn't win our first two Arthur Award competitions, our class spirit seemed to be everywhere! Finally, in our junior year, we placed first overall and won our long awaited Arthur Award crown! The frustrations and hardwork paid off in that glorious moment.

This year, as the oldest and wisest students at Waipahu High we showed the meaning of true class spirit in our various activities. Our Senior-Sneakaway proved to be the most successful one to ever take place. Good friends and happy times will always be remembered. At the many Student Government assemblies we showed our togetherness by participating actively in the scavenger hunts. Dancing, talking, and just having a good time at our Senior Banquet, held at the Honolulu International Country Club, brought us ever closer together.

After a memorable Senior Prom, "Leavin' for a Dream" was the only thing in our minds.

GRADUATION!! June 1, 1983.

Seniors, soon to be graduates of Waipahu High School, as we go our separate ways, we shall always have these wonderful memories and friendships to last forever! Good luck and best wishes to the Class of 1983!

Your Class President,
Laura E. Nakano

"Leavin' for a dream" was the theme of the Senior Prom. This was the "last dance" of their high school career. This was the dream that they all hope would never end. The seniors will probably remember this event as the most memorable of scocials because of the mixed emotions that it evoked. They were excited and happy, and yet sad with nostalgia. The years have passed so swiftly. This was the culminating event of the four years at Waipahu High. This was it! In a few weeks commencement will make them search for a place in life. The dream will be remembered and cherished.

To the Immortal Class of 1983,

It was with much apprehension that I became your advisor three years ago. I did not know exactly what to do but I slowly learned, making a few mistakes along the way. It has been an enjoyable experience, one that I do not regret.

The success of our years together is due to you, for being such a spirited bunch, and to your teachers, for helping me so very much. A special thank you goes to the members of the class council for their efforts and hard work.

I hope that you will take with you fond memories of Waipahu. I wish you much happiness and success in finding "Your place in life." You will always be close to my heart.
